

UH Meds and My Prescriptions

Home Delivery Services

UH Meds Outpatient Pharmacies are proud to offer you free and automatic home delivery services for all your prescription needs.

Our Services

UH Meds provides convenient prescription delivery right to your home. The delivery is at no additional charge to you and our team will work directly with you and your UH health care providers to ensure your medications are delivered on-time, when you need them. Our pharmacists are available to address any questions or concerns you may have about your medications.

Our UH Meds Pharmacies

In addition to home delivery, UH Meds has pharmacies throughout the area.

East:

- Bolwell Health Center Pharmacy (Cleveland, OH)
- Geuaga Outpatient Pharmacy (Chardon, OH)
- Geneva Pharmacy (Geneva, OH)
- Midtown Rainbow Pharmacy (Cleveland, OH)
- Minoff Pharmacy (Beachwood, OH)
- Mentor Pharmacy (Mentor, OH)

West:

- Westlake Pharmacy (Westlake, OH)
- Gates Pharmacy (Elyria, OH)

South:

- Portage Pharmacy (Ravenna, OH)
- Samaritan Pharmacy (Ashland, OH)

How to Sign Up

Please call UH Meds at **216-765-2784** to sign up for your free prescription delivery services through University Hospitals.

Our delivery services include:

- Tracking information sent via email
- Text message notifications
- Overnight delivery for refrigerated medications
- Medication synchronization

We encourage our patients to use one pharmacy to fill all prescriptions, if possible. We may ask for the contact information of other pharmacies you use to ensure we have the most accurate information regarding your prescriptions.

Keep Us Updated

To provide you with the best care, please inform us of any changes in your insurance coverage or contact information including delivery address, billing address, phone or email.
